Colour City Dance is a Ballet school focused on providing a positive dance experience for all students. We encourage a supportive and respectful culture. The dance experience we provide is age appropriate and underpinned by the international acclaimed RAD Syllabus level-based syllabus which our classes are based on. We encourage all students to participate in any class, our expectation is that everyone tries their best. We have an open-door policy allowing parents to view classes on a regular basis, in-particular our petite dance classes. Our aim is to provide our students with a broad range of performance opportunities which competitions (dance eisteddfods) play a part but we also like to see our students dance at community events (such as we did in 2019 including: Ronald McDonald Fundraising Ball, Carols by Candlelight and Australia Day as well as our annual concerts.

The following information is a guide for parents to assist with your enrolment. If you have any questions' please do not hesitate to contact us via email: colourcitydance@gmail.com or text 0412 078 629.
